# March Magnificence Trivia Contest

Here's the game: Match your knowledge and wits against HESNI's best in this group trivia contest with all kinds of questions dealing with the world of hospital facility management. 3-person teams, including 1 facility manager, will compete. Our emcee, Jordan Lacina from Chicagoland Trivia, will read each question. Contestants must record their answers before the music stops and the next question is read. When all 20 questions have been completed, the answer cards will be collected and scored - and the winner announced. The top 3 teams will receive gift cards from Dick's Sporting Goods for \$100 (1st prize), \$75 (2nd prize) and \$50 (3rd prize) for each contestant.

Everyone will enjoy cocktails, appetizers and a buffet dinner. Spend time with your favorite HESNI friends and make new ones.

This event is free to all HESNI members and limited to members only. Advance registration is requested. Please [email](#) or call in your RSVP (708.636.3604). For additional information, call 708.636.5819.
